

ACCREDITATION UPDATES – NOVEMBER 6, 2019

The RIT PA Program had an accreditation site visit in June and the Accreditation Review Commission on Education for Physician Assistants (ARC-PA) met in late September. The following is the official ARC-PA announcement regarding RIT's accreditation status.

The Accreditation Review Commission on Education for the Physician Assistant, Inc. (ARC-PA) has granted **Accreditation-Continued** status to the **Rochester Institute of Technology Physician Assistant Program** sponsored by **Rochester Institute of Technology**. Accreditation-Continued is an accreditation status granted when a currently accredited program is in compliance with the *ARC-PA Standards*.

Accreditation remains in effect until the program closes or withdraws from the accreditation process or until accreditation is withdrawn for failure to comply with the *Standards*. The approximate date for the next validation review of the program by the ARC-PA will be **September 2027**. The review date is contingent upon continued compliance with the Accreditation *Standards* and ARC-PA policy.
